INCOME PROTECTION

Comprehensive Disability Insurance that pays monthly income benefits and lump-sum payments in the event of injury or illness.

Protect everything you've worked so hard for.

NOW THAT'S PEACE OF MIND.

Identify your needs. The primary concern of most people is their ability to meet their ongoing financial obligations in the event of temporary or long term disability. **How would you or you and your family survive financially if you became disabled and unable to work?**

Choose your coverage. The **enVia Income Protection Program is modular in design**, allowing you to purchase the entire program as one all-encompassing "umbrella", or any of the individual component benefits based on your needs.

Relax! The **enVia Income Protection Program** offers 24/7 coverage in the event of injury or illness with a unique combination of monthly income benefits and lump-sum payments.

WHY YOU NEED IT:

Disability Insurance should be the number one priority in terms of benefit protection because, unless a person is very wealthy, one cannot normally self-insure the ability to work.

Although many people think first about dental insurance, for example, because of an impending expense for major dental work, a much sounder approach is to have Disability Insurance in place first, and if necessary, finance over time any infrequent major expense. **It just makes sense to protect the asset that's most valuable** - your ability to earn an income makes possible all the other elements of your life.

HELPING YOU MAKE THE RIGHT CHOICES.

MODULAR DESIGN PROVIDES REAL-WORLD, NEEDS-RELATED COVERAGE OPTIONS:

1. Temporary Total Disability (TTD)

A weekly income TTD benefit of up to 70% of weekly earnings for a maximum duration of 24 months (2 years), following a 30 or 90 day waiting period. The benefit payable is reduced by any disability benefits for which you may be eligible from the C/QPP or E.I. Provides protection for disabilities resulting from an injury or illness. **Maximum benefit of \$2,308 per week (\$10,000 per month).**

2. Permanent Total Disability (PTD)

Provides a lump sum, tax-free benefit up to 5 X gross annual earnings (up to a maximum of \$2,000,000) in the event that you are “permanently and totally” disabled after 25 or 27 months, and unable to “engage in any occupation or employment for which you are fitted by reason of education, training or experience for the remainder of your life”. Once PTD is determined, the lump sum payment is made and no further ongoing proof of disability is required as is the case under a traditional plan.

3. Accidental Death & Dismemberment (AD&D)

A lump sum, tax-free benefit of up to \$500,000 payable in the event of accidental death or dismemberment, paralysis, loss of use, loss of vision, hearing, etc. **This benefit is payable in addition to any benefits payable under the TTD and PTD benefits.** Provides 24 hour, 365 days per year coverage, available in units of \$50,000 up to a maximum of \$500,000.

4. AIG Special Risk Insurance Program (mandatory, automatically included):

Provides \$20,000 of Accidental Death & Dismemberment Insurance in Canada on a 24/7/365 basis, plus Attaché Services including Identity Theft Recovery Assistance.

5. Workplace Solutions Employee & Family Assistance Program (mandatory, automatically included):

Provides up to 3 hours per family member of confidential telephonic counselling by professionals for life/work issues and referral for ongoing requirements anywhere in the world.

WHAT WOULD YOU DO?

It's by far your most valuable asset: **your ability to work and earn an income.**

Yet more than half of working Canadians have not purchased disability insurance to protect this asset, perhaps simply hoping nothing will ever happen to them.

While none of us wish to contemplate misfortune, the truth is that disability has no respect for age, gender, occupation or position when it strikes unexpectedly through sudden illness or accident.

AN AFFORDABLE SOLUTION:

The **enVia Income Protection Program** can help you meet your protection needs at a reasonable & competitive cost, while providing you and your loved ones with comprehensive protection against loss of income due to illness injury or death.

NO MEDICALS REQUIRED!

No medical examinations are required for approval. Instead, satisfactory Health Evidence is required in the form of a Personal Health Declaration. All such information is confidential, shared only among the Program Administrator and Insurers/Service Providers. (Note: Final premium rates for TTD benefit coverage are subject to adjustment based on the health conditions disclosed.)

HOW TO APPLY:

Complete the **Application Form and Health Declaration**, indicating your benefit choices and providing the personal information requested. Please answer the Health Questions fully and accurately, and provide explanatory details as required. Sign the forms and return to the address indicated. Monthly premium payments are made via pre-authorized withdrawal from your bank account.

POLICY DEFINITIONS

Definition of Total Disability: The inability to perform the the principal duties of any occupation in relation to your education, skills, training and experience.”

“Permanent Total Disability” means the the Insured Person's complete inability, after 2 years of continuous total disability to engage in any occupation or employment for which the Insured Person is fitted by reason of education, training or experience for the remainder of his life.

INCOME PROTECTION

YOUR ABILITY TO EARN AN INCOME MAKES POSSIBLE ALL THE OTHER ELEMENTS OF YOUR LIFE.

True security:

Let's be frank. We sell a lot of Health & Dental Benefits coverage and Life Insurance because they're important elements of your overall financial security. But if we could recommend just one kind of insurance that would provide true security for most people, it would be Disability Insurance - it's the only way to really protect the life you're working so hard to build for yourself and your family. Think about it. If your income was suddenly ended by accident or illness, what would happen next?

Surprisingly affordable:

You might think that insuring your ability to meet your financial obligations in the event of disability would be expensive, but it's actually quite affordable. And when you consider what could happen without it, it's downright cheap. Take a look at the rates in the Application Form, and you'll see that we can provide you and your loved ones with comprehensive coverage at a reasonable cost.

Experienced Service Providers and Trusted Insurers:

Having coverage is one thing, but having the right people on the other end of the line to handle your inquiries and claims promptly and professionally is just as important. That's why the **enVia Income Protection Program** is administered by **Special Risk Insurance Managers Ltd.**, and underwritten by **Lloyd's (Certain Underwriters)**.
